In 2014, your dues will continue to support student and other activities that strengthen KUCIMAT relationships with KU’s School of Public Affairs and Administration.

In addition, the KUCIMAT Board has committed to the following goals this year:

- Survey the membership on a formal mentoring program;
- Develop a formal mentoring program;
- Further define and refine our mission and core values and align the budget with the mission and values;
- Identify what we are doing for alumni; and
- Support the Inspiring Women in Public Administration Conference.

If you would like to help on any of these projects, please contact me:

Charlene R. Stevens
KUCIMAT President
City Administrator
